Price Increase

Dear valued Business Partner,

Please be advised that BYK-Chemie and affiliates are announcing a general price increase of fifteen percent (15%) on a global basis with an effective date of January 1st, 2022. Please note that for single products the increase may differ substantially depending on the cost situation. All current product surcharges will be eliminated when the new pricing is implemented.

All deliveries that leave our warehouses as of January 1st, 2022 will be invoiced with the new prices, independent of the placement date of the respective order.

Please be assured that BYK remains focused on the supply of high-quality additives along with industry leading levels of technical support & customer service. Lastly, we're committed to a long-term future with our partners and will continue to invest to support your growth.

We at BYK thank you in advance for your understanding.

Best regards,

BYK-Chemie GmbH
